Classroom News

"Miss" Traci and "Miss" Tiffany

Dear Parents,

It is hard to believe that the Christmas season is here. It seems like yesterday that we were starting school.

November was a very busy month. It seemed to zoom by. We enjoyed Strong Buffalo's visit before Thanksgiving. Mr. Varnado is a Native American. He shared some Indian artifacts, games they played and a view of his tee-pee. We are so fortunate to be able to have this part of the Thanksgiving experience. The children enjoyed their Thanksgiving feast. Thanks to the Moms and Dads who came to help. The "taste fair" was also a hit! It is fun to introduce new foods and enjoy familiar foods with the children. Occasionally, someone discovers a new food to eat at home.

During the first part of November, our Home Center became an ice cream shop while our Building Center became "Old McDonald's Farm". In the art center, the children enjoyed creating designer Indian vest, headbands and necklaces with papooses.

In the Math Center we will continue to work with patterns, graphs, sorting, and counting.

During December, as we prepare to celebrate Jesus' birthday, we will "travel" to Germany and Mexico. We will discover some Christmas traditions of the children in these countries. We know how hectic the pre-Christmas days can be. We hope to give your child a place of calmness so they can relax and enjoy the activities we have planned.

Please join us on Tuesday, December 12th at 10:00am for our Christmas Sing-a-long. We would like for you to sit with your child and sing-a-long with us. You may invite grandparents to attend this short Christmas activity.

Grandparents' Day was a wonderful success. Grandparents are such an important part of our preschoolers' lives. We are so thankful that we could celebrate them. "Miss" Tiffany and I loved meeting so many of the grandparents, they are so sweet. The children did a beautiful job, and we are very proud of them. Thanks to the many Moms and Dads who helped to make the day so meaningful.

The children are enjoying the advent season. We light our advent wreath every morning; say a short prayer and the leader gets to blow out the candles. Hoping this helps them understand the coming of the Birth of Jesus and the true meaning of the Christmas Season.

May the Spirit of Christmas fill your hearts and your homes.

"Miss" Traci & "Miss" Tiffany
