

November News

Dear Parents,

It's hard to believe the month of October is already over. We have enjoyed a very busy and fun filled month. Hopefully the weather will stay cool and please remember to label all sweatshirts, sweaters and all extra layer clothing.

This month we have been learning letters G, H, I, J and K. We have also been learning the color orange, the number 2, and the triangle shape. We talked about and gave thanks for our families and shared our family pictures. We made a beautiful class family tree book that each child will have a chance to bring the book home and share with their families. Please let us know what you think about our "Family Book". We would love to get your feedback. Thank you all for sending in your pictures.

In our centers, we enjoyed running a hair salon, ironing on our ironing boards and doing some laundry with our washer and dryer and we also had an ice cream parlor. Letter "H" fit right in this month, as we have been talking a lot about Halloween, which the children were very excited about. We did lots of fun Halloween art, read many Halloween books and sang many Halloween songs. They especially loved playing the game "Jumping Jack-o-lanterns".

I hope you had a chance to see our beautiful Halloween art on display outside of our classroom. The children love looking at their masterpieces. It was such a pleasure to see so many parents attend our Halloween party and thank you again for all you do to make our special events so enjoyable. The children had a great time.

We have also begun practicing our cutting this month and working on tracing too. The children are doing such a great job and always ask to do more. We are so proud of their progress.

Thank you so much for all of the wonderful discovery items that you send each week for our classroom discovery box. The children enjoy this part of circle time very much. Please remember to send a brown picture on color day which is on November 8th.

HAPPY FALL TO ALL OF YOU!!!

"Miss" Susan and "Miss" Sherri
