

November News

"Miss" Genny and "Miss" Alexis' Pre-K4 Class

In addition to the three letters we will cover this month we will be preparing for Grandparents Day, Thanksgiving, and Advent.

Grandparents Day is Friday, November 16th and our class will perform at 10:00am in the church. Following the program we will go to the Activity Center for refreshments. Please tell all grandparents to mark their calendars for this special day!

We like to play "I Spy" and look for things that are the color or shape of the month. You can do this while riding in the car and have them identify the shapes, letters, and words they see on signs. They really enjoy it!

This Month

- **K week** – kites, kitchens, kangaroos, kings, kernels of corn
- **L week** – lions, leaves, listening ears, laundry, Louisiana, LSU
- **M week** – Mary, monkeys, mail, mittens, magnets
- **Harvest Time on the Farm** – fruits, vegetables, and scarecrows
- **Food Nutrition** – eating foods that are good for us
- **Thanksgiving**

A time for thankfulness

This month we will focus on being thankful for all that God has given us. We will read many stories about the original Thanksgiving and about our modern traditions. We will discuss being thankful EVERY day, not just on Thanksgiving Day! We are thankful to God for creating us and we are thankful to parents, grandparents, and other loved ones who help take care of us.

We will be praying the Our Father during November & December.

Last Month's Review

- **The Three Billy Goats Gruff** – After listening to the story, the children pretended to be goats on the playground bridge or the troll underneath it.
- **Honeybees and Honeycombs** – The children learned how bees make honey, wax, and honeycombs.
- **Inches** – Using rulers and measuring tapes the children measured toy **insects**, toy worms, and the grass they planted.
- The children used blocks of wood and tools as they pretended to be carpenters like **Joseph and Jesus**.

A note about progress reports

Fall Progress Reports were recently sent home. Winter Progress Reports will be sent home in January and we will be scheduling conferences at that time. If at ANY time you have any questions or concerns about your child's progress, please do not hesitate to contact me and/or schedule a conference.
