

Miss Susan and Miss Laurie
September 2018

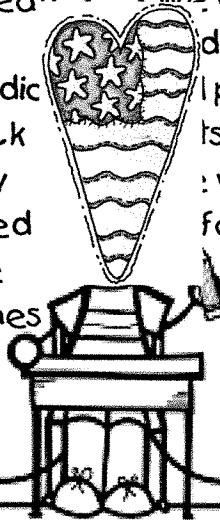

September 11

We will honor our nation on Tuesday, September 11 by allowing the children to wear free dress. Please dress them in red, white, and blue to show support for our country.

Welcome

The children are doing great!
We are learning to share, read a calendar, and predict the weather. Please check the clear folder everyday and make sure it is returned to the tote bag. Also, please send an extra set of clothes and underwear marked with your child's name.

Green Eggs and Ham

We will have green eggs and ham during "E" week! We will paint "Cat in the Hat" hats and have lots of fun. We will ask parents to send food from time to time. Please check the clear folder for requests. We appreciate your help in advance!

Visitors

We will have plenty of visitors this month. Bubbles the Clown, Dudley the Dino, EMS, and the firetruck. We will learn about healthy teeth and fire safety!

If your child would like to have a sleep toy they may bring a small stuffed animal. Please put the name on it. They stay at school so please none they can't sleep at home without!
