Teacher: "Miss" Susan and "Miss" Laurie

Date: April 2018

Easter

Our Easter party was so much fun! The kids enjoyed a magic show, delicious snacks, and an Easter egg hunt. It is a blessing to see the children's smiling faces enjoying the activities. We hope you all have a wonderful, relaxing Easter break. We are looking forward to the last few weeks with your children!

Earth Day

Earth Day is Sunday, April 22nd. We want to "be a friend to the Earth." Our class will be discussing how to be Earth friendly by reusing and recycling. Let your children be a part of keeping our planet clean by giving them things to recycle. We will talk about the negative impact of littering and look at ways to help our earth.

End of the year Art

We will be working very hard on our last letters of the alphabet and art work! Please make sure to send a picture for our letter of the week. The children enjoy gluing them in the ABC Alphabet Book and receiving a sticker. We have plenty of great art work to send home for the summer, as well. Thank you for all of your help this year!

The Hail Mary

Our class has been practicing The Hail Mary prayer in preparation for the Mother's Day Tea which will be held on Friday, May 11th. Please help your child at home by praying the prayer with them. We look forward to honoring our preschool mothers!

Butterflies

Our caterpillars are coming! We will watch them go through the stages and turn into beautiful butterflies! When they are ready we will release them and watch them fly free!
