

MAY NEWS

Another month has quickly slipped by and we are fast approaching the end of the school year!! This month we have learned the letters V,W, X and Y, the number 8, the color blue and the oval shape. In our animal discussion, we have centered around the story of Noah's Ark and have read this story from our children's bible. During "X" week we really enjoyed playing our xylophones and talking about our many different x-rays. Also this month we painted Yams for "Y" week.

As we end this school year we will review all alphabets, numbers, colors, shapes and enjoy many books and songs each day. It has been a wonderful year with your precious little ones. We have been blessed in being able to spend everyday with them this year. It has been a beautiful journey to watch them learn and grow this school year. We are so proud of all that they have accomplished. It was truly a joy!!!

HAPPY MOTHER'S DAY

We truly appreciate all of the wonderful things our Moms have done for our preschool this year, and on that note, it is OUR turn to treat all of the Moms for your hard work and help that you've given us throughout this school year. On May 11th we will celebrate Our Virgin Mother Mary day. Our class will gather at 9:00 a.m. We ask that each child bring a flower to school that day to pay tribute to our Blessed Mother Mary. If you are unable to attend, please send a grandmother, aunt or friend to be with your child. We hope to see you there!!

Our school year has been a wonderful one. Thank you for giving us the privilege to teach and be a part of your child's life. They are truly a blessing.

HAVE A SAFE AND HAPPY SUMMER!!!

"Miss" Susan and "Miss" Sherri
