Classroom News

"Miss" Traci and "Miss" Tiffany

Dear Parents,

The month of March was a fun-filled and exciting month. During March, we continued our travels to foreign countries. First, to celebrate St. Patrick's Day we visited Ireland to learn about the traditions of this Irish celebration, and the children enjoyed their snack with magic green pudding, drink and cookies. Next, we traveled to Italy to celebrate St. Joseph's Day with our Daddies. Since Father's Day is in June, this feast day allows us to celebrate with our dads while we are in school. We hope all the dads are enjoying their pencil holders as much as the children enjoyed making them. Thank you so much to all the dads for making our day so special, and of course to all the moms too who set up the altar so beautifully, prepared all the delicious food and helped on this special day.

The children enjoyed the visitors on Bug Day and were very interested in examining and observing all the bugs!

The children had lots of fun in the Art center making Easter baskets, bunny frames and mask, chicks, lambs, large eggs and crosses. We also made paper plate snakes and snails, squirrels, turtles, trains, umbrellas, and unicorns. For the first day of spring we painted dandelions with a gift bow and made a wish! The children love our art center!

The theme for April is the "World of Animals". We will begin with Noah and the ark and Dinosaurs will follow. Hopefully, we will then progress to pets and zoo animals.

*** If you have not sent in your pictures for our end of the year project. Please send to school as soon as possible. We need pictures of their home, family (with names on the back), pets (with names), and their favorite foods and toys. Please put them in an envelope or Ziploc bag with your child's name on it.*

Book Orders are due on April 17th.

This will be our last Book Order for the year.

May you and your family continue to enjoy the new life of spring and the joy of Easter.
