"Miss" Traci and "Miss" Tiffany

Another month has quickly slipped by, and we are fast approaching the end of our school year!

April was a busy month. The art center was busy with the month's theme "World of Animals", which is always a favorite of the children. We talked about Noah's friends along with prehistoric animals, zoo animals, and the pets that live with the children. What a fun month!

The last few weeks of school we will be reviewing all the letters of the alphabet, numbers, shapes and colors. We are amazed at how well the children are doing, we are very proud of them! They have learned a lot; and each one has grown so much!

We have been talking about Mary, our mother, and look forward to honoring our Mom's on Friday, May 11th. Please send a flower with your child on Friday to place at Mary's statue. This will be a short activity in the front of the Preschool in "Mary's Garden". A reception will follow to honor all our Mothers. We could not have such a great school without your support, and we appreciate you very much. You will also have an opportunity to view the preschool artwork on display. The art work from our class will be up for the week.

As we end the year, we have been talking about all our favorite things as we have worked hard to finish our special end of the year keepsake books. We really enjoyed doing them; we hope you'll enjoy them too.

We would like to take this opportunity to thank everyone who helped to make our class run so smoothly this year. We'd like to give a special thanks to Kelly Drone who did a wonderful job of keeping us informed and organized. I'd like to also thank all the Moms who planned the parties and helped with sending goodies, making crafts and sending items throughout the year. We truly appreciate everything you did for our little ones.

Our official last day of school will be Wednesday May 23, 2018. It is so unbelievable that this year is at its end. It has been a wonderful one, and we have cherished each one of your special children. The children have all been eager to learn and so enjoyable to teach. Thank you for giving us the privilege to be a part of their lives. They are all truly a blessing from God.

Have a wonderful and safe summer!
